### **Treasure Island Macmillan Reader Robert Louis Stevenson**

Treasure Island was written 130 years ago and it remains one of the great adventure tales of all time. I originally read it when I was about ten years old and, fifty years later, I recently re-read it in the Kindle edition. The fact that the book brings as much pleasure now as it did then is an indication of how good it really is. Stevenson truly hit the ball out of the park with this one.
