Health Psychology 10th Edition by Shelley E Taylor PDF

Since the first edition was published in 1986, Health Psychology has helped thousands of college students learn how to maintain their health and guard against illness. The goal of this book has always been to make research accessible in a way that integrates theory with practical applications so that people can lead healthier lives. The importance of social relationships, health behaviors, and co-management of health and illness are themes that are woven throughout the text.
