The Beating of His Wings by Paul Hoffman Goodreads

I was happy with The Beating of His Wings. It was a good conclusion to Paul Hoffman's The Left Hand of God trilogy. If you have reached this stage of the trilogy then you will already know what to expect from Hoffman's weird writing style.

The Beating of His Wings by Paul Hoffman book review

I was disappointed it took me months to try and read The Beating of his Wings. I admit the first book, I read in no time and the second quite disappointing. There were numerous moments but not enough to elicit interest in me really. While the ending allows for future opportunities with certain characters, I did not find it a satisfactory conclusion. And I doubt that I will read any other offering form this author. Disappointed.
